

Research Fellowship

Ref: BI_01/UID/04038/2020

The Centre for Research in Anthropology (CRIA) opens a Call for one (1) research fellowship (Master's degree) under the pluri-annual funding R&D units (UID/04038/2020), funded by national funds through FCT/MCTES (PIDDAC).

Main research field: Anthropology

Admission requirements

General

The call is open to candidates:

- a) holding a Master's degree in Anthropology or other Social Sciences and Humanities pertinent to the project
- b) enrolled on a PhD in the area of Anthropology or in non-degree courses on similar áreas (in accordance with Article 6 of the current Regulations for Research Grants of the Foundation for Science and Technology, I.P.).

Although the recipients must be enrolled in a cycle of studies leading to the attribution of an academic degree or in a course not conferring an academic degree, at the time of application it is not necessary for the candidate to have made such an enrollment, and proof of enrollment must be presented until the fellowship is contractualized. Candidates are only required to meet the requirements to enroll in the training offer. If there are candidates already enrolled (including attending a course), they compete on an equal footing with those who are not enrolled.

Specific

- a) Fieldwork experience with participant observation and interviews;
- b) Master Portuguese and English languages (oral and written).

Work Plan

The selected candidate must carry out the following tasks associated with the exploratory research project "Shared Sea: the implications of electricity generation off the Portuguese Green Coast", in close collaboration with the project team:
