WORKSHOP PROGRAM

THURSDAY 15th

11:00 > 11:30 | Welcome, Introduction | Auditório Afonso de Barros

11:30 > 13:00 | Paper presentations (in-group) session 1

Group 1: Transitioning Justly? | Room: Auditório Silva Leal

Group 2: Contested Carbon | Room: AA2.23

Group 3: Climate Colonialism | Room: AA2.24

Group 4: Renewable Infrastructures | AA2.26

Group 5: Electrical Entanglements | AA2.29

13:00 > 14:00 | Lunch break

14:00 > 15:30 | Paper presentations (in-group) session 2

Group 1: Transitioning Justly? | Room: Auditório Silva Leal

Group 2: Contested Carbon | Room: AA2.23

Group 3: Climate Colonialism | Room: AA2.24

Group 4: Renewable Infrastructures | Room: AA2.26

Group 5: Electrical Entanglements | Room: AA2.29

15:30 > 16:00 | Coffee break

16:00 > 18:00 | Group work

FRIDAY 16th

10:00 > 11:30 | Group presentations session 1 | Auditório Afonso de Barros

Group 1 Transitioning Justly?

Group 2 Contested Carbon

16:30 > 18:00 | Coffee break

12:00 > 13:00 | Group presentations session 1 | Auditório Afonsos de Barros

Group 3 Climate Colonialism

13:00 > 14:00 | Lunch break

14:00 > 15:30 | Group presentations session 3 | Auditório Afonsos de Barros

Group 4 Renewable Infrastructures

Group 5 Electrical Entanglements

15:30 > 16:00 | Coffee break

16:00 > 18:00 | Discussion, Publications plan

SATURDAY 17th

8:00 > 20:00 | Fieldtrip to Cercal do Alentejo (Santiago do Cecém) and Sines

WORKSHOP GROUPS

GROUP 1: Transitioning ‘Justly’?

Chair: Antonio Maria Pusceddu

Room: Auditório Silva Leal

William Otchere-Darko & Gisa Weszkalnys | *Between ‘Park’ and ‘Energy Transition Zone’:
Contesting Just Transition in Aberdeen*

Magdalena Dabkowska | *Navigating between coal and post-fossil futures in times of energy
crisis in North Poland*

Elena Apostoli Capello | *Energy, Identity and Dispossession in Sulcis*

Ekaterina Tarasova | *Intersectional analysis of just transition in Poland*

Jerome Whittington & Zeynep Oguz | *Intersectional Energy Alliances in Central Appalachia*

Elisabed Gedevanishvili | *Prefiguring Just Post-Carbon Energy Futures—Defending the Rioni Valley*

GROUP 2: Contested Carbon

Chair: Pauline Destrée

Room: AA2.23

Krista Harper & Alison Bates and colleagues | *Whose Low-Carbon Future? Community and Expert Perspectives on the Renewable Energy Transition in a Post-Industrial U.S. City*

Patrick Brodie | *Bog Media: Climate Politics and the Critical Excavation of Irish Peatlands*

Serena Saligari | *LPG gas bottles*

Gabriela Manley | *Climate futures: imagination and its influence on green energy policy*

Miloš Đurović | *“And they are even opening new thermal power plants!”: Reluctance toward decarbonised future in the coal-mining town in northern Montenegro*

Natascha van Bommel | *Energy bricolages and resilience in the Indian Sundarbans*

GROUP 3: Climate Colonialism

Chair: Ruy Llera Blanes

Room: AA2.24

Emiliano Castillo | *Canada's net zero policy and the reproduction of climate colonialism*

Julia Schwab | *Conflicting visions of a (post-) oil future in Ecuador*

Merle Davis Matthews | *Mining the transition*

Susana Carmona Castillo | *Future in whose terms? Environmental activism, corporate imaginaries, and Statal promises. Contrasting views of the post-coal-mining future in La Guajira, Colombia*

Jeremy Rayner & Mariia Iakovleva | *Of carts and horses: negotiating multiple representations of clean energy futures in three Canadian indigenous communities*

Steven Schwartz | *The Ethics of Transition: Wind Power, Climate Futures, and the Politics of “Living Joyfully” in Colombia*

GROUP 4: Renewable Infrastructures

Chair: Katja Müller

Room: AA2.26

Mette Karsten & Freja Valentin Dunkerley | *Unpacking safety concerns and social acceptance in green energy transitions in Denmark*

Anna Bettini | *Fields of Sunshine: On solar farms, job opportunities, social perspectives and concerns in Southern Alberta*

Roberto Cantoni | *Renewables for the occupation: wind, solar, and the legitimization of the status quo in Western Sahara*

Sophia Küpers & Susana Batel | *Portuguese hydropower narratives on public television – an archival & socio-psychological exploration*

Oriana Rainho Brás, António Carvalho & Vera Ferreira | *Energy justice on the pathway to carbon neutrality: a case study of a controversial solar power station in Southern Portugal*

GROUP 5: Electrical Entanglements

Chair: Kari Dahlgren

Room: AA2.29

Andrea Pia | *Justice after Carbon: Chinese Hydropower, green authoritarianism, and the sustainability transition in SEA*

Fahima Al Farabi | *Local Energy Cooperatives in the Netherlands*

Lauren Lee Barrett | *Weatherization Assistance Program*

Valentina Gulin Zrnić and Marina Blagaić Bergman | *Solar energy transition in three Croatian towns*

Gina Hakim | *Water pumps in Mexico*
